SPACES

of them all

YOU'RE WELCOME

They say *a product of your environment* are we.
Right now, could surroundings *matter more?*

We've grown *acutely aware*, we must take care.
Of space, distance, and *those we adore*.

Bombarded with impressions for decades.
We barely noticed the *influx*. But today...

We *seek reassurance*, wide-eyed for guidance.
We're open. You're welcome. *Come this way*.

The new normal doesn't have to *look normal*.
Inform AND arouse. Belt and braces.

Environmental reassess. *Engineer your success*.
Create the most *Splendiferous Spaces*.

WALLS

BRAND YOUR WALLS

Your walls are your biggest canvas.
And big spaces are your opportunity
to make a big impact.

Use your walls to reassure people. Or to excite.
Share your story, your journey and your brand.
With visitors, with clients and your team.

Engaging spaces make financial sense.
Motivate and retain your team.
Encourage brand loyalty.

VINYL, VINYL ON THE WALL

Cover entire walls with vinyl self-adhesive graphics.

Want to live underwater? Done.
Feel like you're in a forest? Go for it.
Roam with the buffalos? Bet they stink. The options are limitless.
One thing's for certain, your space will be inspirational.

Vinyl has very high tack, for permanent installation. Printed with light-stable inks, it's intended for long term use and we matt laminate it to make it wipe-clean.

Installation is best done by a professional decorator. Ask about our 'brick vinyl' which can be fitted straight onto breeze block walls.

€81.90 per square metre including delivery IGWVI

CUT-OUT VINYL

You don't have to cover entire walls.

With our cut-out vinyl, design words, logos and shapes and then stick them to the walls. Your wall will show through the cut-out bits. Leaving that perfect paint colour you picked out to show through.

To apply, peel off the backing. The self-adhesive pieces can be stuck to most flat walls, either inside or outside. Don't stop at walls – stick these on doors, lifts and cabinets too.

€92.70 per square metre
including delivery IGWVIS

PRINTED BOARDS

Look the business with low cost durable signage for indoors and out. Get custom sized panels cut to shape or choose from a range of popular sizes.

Screw directly to the wall or use your own double-sided velcro tape to stick to exhibition shell schemes.

STAND OFF THE WALL

If you're too shy for full frontal wall covering, these acrylic displays are an elegant alternative. Choose between regular 3mm or luxury 5mm thick acrylic.

We print onto the face of white acrylic. Or smarter, we can print onto the reverse of the acrylic in UV stable inks. Then we print a white layer, so your image is visible.

Stick them directly to the wall or choose optional neat satin chrome stand-off fixings – just drill holes in the wall, screw in and you're ready to go. Perfect for mission statements, inspirational messages and navigational signage too.

From €108 each including delivery IGC&F3 **Fixings from €7 each**

WALLPAPER

Our wallpaper has a smooth matt premium finish, like, well, premium wallpaper.

It's easy to order a bespoke design. Just measure the whole area and we'll design something to fit. We slice your design into strips, around double the width of a normal roll of wallpaper.

Anyone who's good at decorating can put it up. Paste the wall and hang it like you would at home. We recommend the optional 5mm overlap to make it easier to align each drop with the next.

If you're off to an exhibition, book a 'space only' stand and take along a fabric booth. Your stand will be built in a matter of minutes. Save the frame, and order new covers separately for different events later on.

DECAL THE WINDOWS WITH WORDS OF GLORY

It's easy to brand your glass doors, interior partitions and windows. There's a few ways of doing it.

Letter and logo decals are printed in colour, sticky side up. Then we overlay a white backing. And then cut them to shape.

Perfect for logos, telephone numbers and words. Apply the sticky side to the glass and the cut-out bits will be see-through.

From **€74.70 per square metre** including delivery IGWGF5

LIGHT? WHO NEEDS LIGHT? BLOCK IT OUT!

Or you can completely cover some or all of your windows with self-adhesive window panels. Maybe you want to hide folk watching your refit. Or if you've got full-length windows, you could block out the bottom half to provide a little modesty.

We use clear vinyl, print on the back and then overprint white ink on top, so the sticky side can be applied to the inside of windows.

They'll last for 2-4 years outside. Available in standard sizes,

Or from €64.80 per square metre including delivery IGWGF

MEETING

IN *our* SPECIAL PLACE

THIS DAY?

ETCH ME, FROST ME, ANY WAY YOU WANT ME

Frosted or etched windows are delightfully elegant. They look like your windows have been sandblasted. Particularly pleasant and understated for period properties.

Like decals, choose the areas you want to be cut-out. Either create a solid block, with cut-out words and logos. Or just design individual words and letters which will look like they've been etched into the glass.

Supplied pre-cut on backing paper which fixes to the inside of the glass.
