# GAZEBOS

Custom gazebos are all the rage at markets, festivals and fairs. Invest in one now, and get your brand seen at events for years to come.

Our gazebos feature a heavy duty 'hex' frame with a waterproof printed canopy. They compact into a wheeled bag for easy storage and transport, then pop up and lock into place ready for action when you need it.

Suitable for year-round use, they'll keep you (and your stock) shaded from the sun and protected from showers when it rains.

# POP OUT BANNERS

These springy pop out banners are easy to put up with their 'pop out' construction method. Just release it from the carry bag and watch as it assembles itself in an instant. Great for both outdoor and indoor events.

Each one includes two single sided printed graphic panels, a carry case and tent pegs for securing into position if being used outside on a soft surface like grass. Each panel can have a different message, or the same on both sides – it's up to you.

# FLAGS

Let's do a little experiment. On your way home tonight, count the number of flags you see. They're absolutely everywhere.

Why's that? Well, for around a hundred quid, you get a three metre high, fluttering, piece of eye catching marketing for your business. They are such great value, it's no wonder businesses are lining them up on their car park and forecourt and outside their front door. All our flags are suitable for use indoors and outdoors.
