A zebra, named Zac, yes, that is he,  
But *a bit more* colourful, he'd like to be.

His *dashing* head in black and white,  
Yet dapper clothes *should* be so bright.

You hold the power, in your hand,  
Pick up a crayon, *now take a stand*.

Add warmth, make each page *glow*,  
With *every* colour of the rainbow.

Go! Let your imagination run free,  
Draw a background for our chums to see.

Upload to our website and *freely share*,  
A vote for another's picture shows you care.

There's prizes for the *finest work* on show,  
So *good luck!* Now let your creativity flow.

Upload your coloured-in picture to  
**[www.nettl.com/scribble](http://www.nettl.com/scribble)**

Vote for your favourite and ask  
your friends to vote for your picture.

\*The small print:

At the end of the contest, the top three most favoured will win their picture printed as a canvas, their choice of AniMask plus a £50 / €60 / \$60 iTunes or toy store gift card. Plus Nettl will donate £500 / €600 / \$600 to the NHS or national charity of your choice, in your name. Upload as many pictures as you like.
