YOU'RE WELCOME

They say *a product of your environment* are we.
Right now, could surroundings *matter more?*

We've grown *acutely aware*, we must take care.
Of space, distance, and *those we adore*.

Bombarded with impressions for decades.
We barely noticed the *influx*. But today...

We seek *reassurance*, wide-eyed for guidance.
We're open. You're welcome. *Come this way*.

The new normal doesn't have to *look normal*.
Inform AND arouse. Belt and braces.

Environmental reassess. *Engineer your success*.
Create the most *Splendiferous Spaces*.

The background of the image is a massive, high-resolution mural of a majestic, snow-covered mountain range under a clear blue sky. The mountains are rugged with deep valleys and patches of ice. In the foreground, an indoor ski slope is visible, featuring a series of black and red safety nets. Several skiers and snowboarders are scattered across the slope, some near the bottom and others further up. The ceiling of the building is a complex structure of white, curved panels supported by a network of steel beams. A small banner with the text "REAL MOUNTAINS. REAL SWITZERLAND." and the Vistara logo is partially visible on the right side.

VINYL, VINYL ON THE WALL

Cover entire walls with vinyl self-adhesive graphics.

Want to live underwater? Done. Feel like you're in a forest? Go for it. Roam with the buffalos? Bet they stink. The options are limitless. One thing's for certain, your space will be inspirational.

Vinyl has very high tack, for permanent installation. Printed with light-stable inks, it's intended for long term use and we matt laminate it to make it wipe-clean.

Installation is best done by a professional decorator. Ask about our 'brick vinyl' which can be fitted straight onto breeze block walls.

£63 per square metre including delivery IGWVI

CUT-OUT VINYL

You don't have to cover entire walls.

With our cut-out vinyl, design words, logos and shapes and then stick them to the walls. Your wall will show through the cut-out bits. Leaving that perfect paint colour you picked out to show through.

To apply, peel off the backing. The self-adhesive pieces can be stuck to most flat walls, either inside or outside. Don't stop at walls – stick these on doors, lifts and cabinets too.

STAND OFF THE WALL

If you're too shy for full frontal wall covering, these acrylic displays are an elegant alternative. Choose between regular 3mm or luxury 5mm thick acrylic.

We print onto the face of white acrylic. Or smarter, we can print onto the reverse of the acrylic in UV stable inks. Then we print a white layer, so your image is visible.

Stick them directly to the wall or choose optional neat satin chrome stand-off fixings – just drill holes in the wall, screw in and you're ready to go. Perfect for mission statements, inspirational messages and navigational signage too.

From £82.80 each including delivery IGCAF3 Fixings from £6 each

WALLPAPER

Our wallpaper has a smooth matt premium finish, like, well, premium wallpaper.

It's easy to order a bespoke design. Just measure the whole area and we'll design something to fit. We slice your design into strips, around double the width of a normal roll of wallpaper.

Anyone who's good at decorating can put it up. Paste the wall and hang it like you would at home. We recommend the optional 5mm overlap to make it easier to align each drop with the next.

DECAL THE WINDOWS WITH WORDS OF GLORY

It's easy to brand your glass doors, interior partitions and windows. There's a few ways of doing it.

Letter and logo decals are printed in colour, sticky side up. Then we overlay a white backing. And then cut them to shape.

Perfect for logos, telephone numbers and words. Apply the sticky side to the glass and the cut-out bits will be see-through.

From £57.60 per square metre including delivery IGWGF

LIGHT? WHO NEEDS LIGHT? BLOCK IT OUT!

Or you can completely cover some or all of your windows with self-adhesive window panels. Maybe you want to hide folk watching your refit. Or if you've got full-length windows, you could block out the bottom half to provide a little modesty.

We use clear vinyl, print on the back and then overprint white ink on top, so the sticky side can be applied to the inside of windows.

They'll last for 2-4 years outside. Available in standard sizes,

Or from £49.50 per square metre including delivery IGWGF

MEETING
IN *our* SPECIAL PLACE
THIS DAY?

ETCH ME, FROST ME, ANY WAY YOU WANT ME

Frosted or etched windows are delightfully elegant. They look like your windows have been sandblasted. Particularly pleasant and understated for period properties.

Like decals, choose the areas you want to be cut-out. Either create a solid block, with cut-out words and logos. Or just design individual words and letters which will look like they've been etched into the glass.

Supplied pre-cut on backing paper which fixes to the inside of the glass.
