A CHEERFUL GIVER

A short sudden *gasp*, clutch of pearls
Smiling tingle of *delight* gently unfurls

Sparking joy at that moment, *gratefully received*
'*I'm touched*', she remarked, 'they thought of me'

Clients, suppliers, and the team, *there when it counts*
Humble gestures feel like *abundant amounts*

Side-by-side through it all, now standing prouder
Two words say '*Thank You*', but actions speak louder

They say *giver's gain*, when selfless joy you deliver
Who can fail to love a *cheerful giver*?
